

## MATERIALS MANAGEMENT AND LOCAL ASSISTANCE PROGRAM

### Monthly Public Meeting Agenda

10:00 A.M., April 14, 2010

Coastal Room, Cal/EPA Building

#### A. PENDING DECISIONS

Program staff will provide a status report for decisions that are anticipated to be made within the next 30 days; some of these may be delegated by the Acting Director to the Deputy Director, Program Director, or Division Chiefs. Decisions will not be made during the workshop on the items being discussed. Members of the public who have an interest in an item under consideration and who wish to provide oral comments will be given time to speak. If comments received during the workshop indicate controversy regarding the proposed item or call into question one or more of the findings the Department must make to approve the proposed decision, the Acting Director may choose to review all the information regarding this determination before it is made and may hold an additional public meeting if that is determined to be necessary before making the determination.

1. Draft Guidelines for the Used Oil Payment Program (Used Oil Recycling Fund) – Public comment will be accepted at the MMLA Public Meeting, in response to a stakeholder survey that will be released approximately April 8, and in writing to CalRecycle by April 21. Final draft guidelines will be posted by April 30, with final approval anticipated in early May.

2. Workshop on Tire Recycling Fund Reallocation Proposal, Fiscal Year 2009/10 -- See Section E for more information on workshop to be held during this monthly meeting.
3. Workshop on Countywide Integrated Waste Management Plan Enforcement Policy -- See Section E for more information on workshop to be held during this monthly meeting.

#### B. DECISIONS MADE IN THE PAST 30 DAYS

The decisions listed below have been made by the Acting Director or the delegated official within the last 30-45 days. Copies of the decision documents and, when appropriate, supporting staff reports and/or other materials can be accessed from the CalRecycle web or from the reference links below.

1. Recycling Market Development Zone Loan to LEED Recycling, Inc., for \$487,500. [LEED Recycling, Inc. Loan Information](#)

2. Recycling Market Development Zone Loan to Envision Plastics, Inc., for \$550,000. [Envision Plastics Industries, LLC Loan Information](#)
3. Used Oil Fund Allocation Proposal, Fiscal Year 2009/10 [Approved Used Oil Fund Allocation](#)

### C. MATERIALS MANAGEMENT AND LOCAL ASSISTANCE PROGRAM STATUS REPORT

Program staff will provide updates on ongoing projects and other work activities currently under way. Staff will receive public comments on these work efforts. Activities that may be discussed include but are not limited to local planning documents, regulatory efforts, grant and loan programs, contracts, and program development/implementation activities. Written materials associated with updates may not necessarily be developed.

1. Updates (approximately 5-10 minutes each)
  - **Tire-Derived Product Grants** -- Brief summary of possible changes that staff is considering to: applicant and product eligibility, product funding priority, and Recycled Product Certification form (CalRecycle 74G).
  - **Local Enforcement Agency Grants** -- Staff will update stakeholders on the upcoming cycle of grants to be offered for fiscal year 2010/2011. This noncompetitive grant program assists Local Enforcement Agencies in carrying out their solid waste facilities permit and inspection program.
2. Upcoming Workshops
  - April 19 (1 p.m., Room 550) -- Organics Lifecycle Analysis Public Workshop
  - May 12 (monthly MMLA meeting) – Mandatory Commercial Recycling Regulation workshop
  - May (date, time, and room to be determined) -- Electronic Waste Recycling Program workshop on possible adjustments to the Covered Electronic Waste recovery and recycling payment rates
  - June 16 (monthly MMLA meeting) – Electronic Waste Recycling Program – Workshop on possible adjustments to the Electronic Waste recycling fee
  - July 14 (monthly MMLA meeting) – SB 167 (Tire border activities) workshop
  - October 13 (monthly MMLA meeting) – Five-Year Tire Plan workshop

### D. PUBLIC COMMENT ON MATERIALS MANAGEMENT AND LOCAL ASSISTANCE PROGRAM AND RELATED ACTIVITIES

The public may make general comments regarding the Department's Materials Management and Local Assistance Program and related activities.

## E. WORKSHOP DISCUSSION TOPICS

This section of the meeting will be used for workshops to discuss specific subject matter. Established times are set aside herein for these detailed discussions. In most cases information will be posted prior to the workshop.

### **1. Tire Recycling Fund Reallocation Proposal, Fiscal Year 2009/10**

- Approximately 10:30 a.m. (as soon as all items on the agenda are completed, with the exception of the workshop on CIWMP Enforcement Policy, which will follow this workshop)

This workshop will solicit stakeholder feedback on staff's proposal for how unused Fiscal Year 2009/10 Tire Recycling funds will be reallocated to other projects. Background materials for this workshop will be posted approximately 10 days prior to the workshop, as part of this notice. Currently, \$355,540 in unencumbered funds from Fiscal Year 2009/10 is available in the waste tire enforcement and market development elements of the Five-Year Plan. Additional funding may be available once remaining Grant Awards and Contract recommendations are awarded in May 2010. In addition, \$1,000,000 from the Emergency Reserve could be reallocated contingent upon no emergency situations occurring on or before June 30, 2010. Staff is proposing (see Table 2 in link below) reallocating funding as follows:

- a) \$65,000 to augment the current contract with OEHA on the Evaluation of the Safety of Synthetic Turf Fields Containing Crumb Rubber from Recycled Tires
- b) \$100,000 to augment the current contract with R.W. Beck on the Infrastructure Baseline Inventory and Information Management Framework
- c) \$248,627 for Local Government Waste Tire Cleanup and Amnesty Event Grants, from the "B List" for 2009/2010
- d) Other activities (in the order listed in Table 2) if additional funding becomes available.

### **2. Countywide Integrated Waste Management Plan (CIWMP) Enforcement Policy**

- Upon completion of Tire Reallocation workshop, but no earlier than 11:00 a.m.

CalRecycle staff is seeking stakeholder input on proposed updates to the Countywide Integrated Waste Management Plan (CIWMP) Enforcement Policy Part II. Adopted in August 2001, this policy is the basis for determining whether or not a jurisdiction has adequately implemented its Source Reduction and Recycling Element and Household Hazardous Waste Element, including the diversion

programs described therein. This document is being updated strictly to reflect the passage and implementation of Senate Bill 1016 (Chapter 343, Statutes of 2008), which changed the measurement system from one based on estimated generation and diversion to one based on actual per-capita disposal; proposed changes add the new disposal measurement system, remove references to the biomass diversion credit, and remove references to SB 1066, which has expired. In addition, references to the Board would be changed to CalRecycle as appropriate. Because SB 1016 did not change the diversion goals of AB 939 or the manner in which CalRecycle evaluates a jurisdiction's performance, these topics are not subject to proposed changes. All proposed changes to the policy have been made using strikeout and underline (see link below for document).
